IN THE DISTRICT COURT

WEBB COUNTY, TEXAS

406th JUDICIAL DISTRICT

**PLAINTIFF'S ORIGINAL PETITION**

**TO THE HONORABLE JUDGE OF SAID COURT:**

COMES NOW Guadalupe Rios (hereinafter "Plaintiff"), and complains of ASI Lloyds (hereinafter "ASI"). In support of his claims and causes of action, Plaintiff would respectfully show the Court as follows:

**DISCOVERY LEVEL**

1. Plaintiff intends for discovery to be conducted at Level 2, pursuant to Rule 190 of the Texas Rules of Civil Procedure.

**JURISDICTION AND VENUE**

2. This Court has jurisdiction to hear Plaintiff's claims under Texas common law and Texas statutory law. Inarguably, the amount in controversy exceeds the minimum jurisdictional limits of this Court. Venue is also proper, as all or a substantial part of the events giving rise to this suit occurred within the city of Laredo, in Webb County, Texas.

**PARTIES**

3. Plaintiff is an individual whose residence is located in Laredo, Webb County, Texas.

4. ASI Lloyds is a company engaged in the business of adjusting insurance claims. This includes Plaintiff's insurance policy which is at issue in the present case. ASI may be served with Citation and a copy of this Petition, by serving it through its registered agent for service, Rodney D. Buckner, 700 North Pearl Street, 25th Floor, Dallas, Texas 75201-2825.

#### **BACKGROUND**

5. This matter revolves largely around a first party insurance dispute regarding the extent of damages and amount of loss suffered to the Plaintiff's Property, which is located at 4701 Ark Cts., Laredo, Texas 78046, (the "Property"). In addition to seeking economic and penalty based damages from ASI, Plaintiff also seeks compensation from ASI for damages caused by improperly investigating the extensive losses associated with this case.

6. Plaintiff owns the Property.

7. Prior to the occurrence in question, Plaintiff purchased a residential insurance policy from ASI to cover the Property at issue in this case for a loss due to storm-related events. Plaintiff's Property suffered storm-related damage. Through his residential policy, TXL293887, Plaintiff was objectively insured for the subject loss by Defendant.

8. On or around May 9, 2014, the Property suffered incredible damage due to storm related conditions.

9. In the aftermath, Plaintiff relied on ASI to help begin the rebuilding process. By and through his residential policy, Plaintiff was objectively insured for the subject losses in this matter.

10. Pursuant to his obligation as a policyholder, Plaintiff made complete payment of all residential insurance premiums in a timely fashion. Moreover, his residential policy covered Plaintiff during the time period in question.

11. Despite Plaintiff's efforts, ASI continually failed and refused to pay Plaintiff in accordance with its promises under the Policy.

12. Moreover, ASI has failed to make any reasonable attempt to settle Plaintiff's claims in a fair manner, although its liability to the Plaintiff under the policy is without dispute.

13. In the months following, Plaintiff provided information to ASI, as well as provided opportunities for ASI to inspect the Property. However, ASI failed to conduct a fair investigation into the damage to the Property. Moreover, ASI failed to properly inspect the Property and its related damages, failed to properly request information, failed to properly investigate the claim, failed to timely evaluate the claim, failed to timely estimate the claim, and failed to timely and properly report and make recommendations in regard to Plaintiff's claims.

14. Despite ASI's improprieties, Plaintiff continued to provide information regarding the losses and the related claim to ASI. Further, Plaintiff made inquiries regarding the status of the losses, and payments. Regardless, ASI failed and refused to respond to the inquiries, and failed to properly adjust the claim and the losses. As a result, to this date, Plaintiff has not received proper payment for his claim, even though notification was provided.

15. ASI has failed to explain the reasons for failing to offer adequate compensation for the damage to the Property. ASI has furthermore failed to offer Plaintiff adequate compensation without any explanation why full payment was not being made. ASI did not communicate that any future settlements or payments would be forthcoming to pay the entire losses covered under the policy.

16. ASI has further failed to affirm or deny coverage within a reasonable time. Plaintiff also did not receive timely indication of acceptance or rejection regarding the full and entire claim in writing from ASI in a timely manner.

17. ASI has, to date, refused to fully compensate Plaintiff under the terms of the policy for which Plaintiff paid, even though it was ASI that failed to conduct a reasonable investigation. Ultimately, ASI performed a result-oriented investigation of Plaintiff's claim that resulted in an unfair, biased and inequitable evaluation of Plaintiff's losses.

18. ASI has failed to meet its obligations under the Texas Insurance Code regarding timely acknowledging Plaintiff's claim, beginning an investigation of Plaintiff's claim, and requesting all information reasonably necessary to investigate Plaintiff's claims within the time period mandated by statute.

19. As a result of the above issues, Plaintiff did not receive the coverage for which he had originally contracted with ASI. Unfortunately, Plaintiff has, therefore, been forced to file this suit in order to recover damages arising from the above conduct, as well as overall from the unfair refusal to pay insurance benefits.

20. In addition, ASI has failed to place adequate and proper coverage for Plaintiff causing Plaintiff to suffer further damages. As indicated below, Plaintiff seeks relief under the common law, the Deceptive Trade Practices-Consumer Protection Act and the Texas Insurance Code.

#### CONDITIONS PRECEDENT

21. All conditions precedent to recovery by Plaintiff has been met or has occurred.

#### AGENCY

22. All acts by ASI were undertaken and completed by its officers, agents, servants, employees, and/or representatives. Such were either done with the full authorization or ratification of ASI and/or were completed in its normal and routine course and scope of employment with ASI.

**CLAIMS AGAINST DEFENDANT**

23. Plaintiff hereby incorporates by reference all facts and circumstances set forth under the foregoing paragraphs.

**A.  
NEGLIGENCE**

24. ASI had and owed a legal duty to Plaintiff to properly adjust the structural and property damage and other insurance losses associated with the Property. ASI breached this duty in a number of ways, including but not limited to the following:

- a. ASI was to exercise due care in adjusting and paying policy proceeds regarding Plaintiff's Property loss;
- b. ASI had a duty to competently and completely handle and pay all damages associated with Plaintiff's Property; and/or
- c. ASI failed to properly complete all adjusting activities associated with Plaintiff.

25. ASI's acts, omissions, and/or breaches did great damage to Plaintiff, and were a proximate cause of Plaintiff's damages.

**B.  
BREACH OF CONTRACT**

26. Plaintiff hereby incorporates by reference all facts and circumstances set forth under the foregoing paragraphs.

27. According to the policy that Plaintiff purchased, ASI had the absolute duty to investigate Plaintiff's damages, and to pay Plaintiff's policy benefits for the claims made due to the extensive storm-related damages.

28. As a result of the storm-related event, Plaintiff suffered extreme external and internal damages.

29. Despite objective evidence of such damages, ASI has breached its contractual obligations under the subject insurance policy by failing to pay Plaintiff benefits relating to the cost to properly repair Plaintiff's Property, as well as for related losses. As a result of this breach, Plaintiff has suffered actual and consequential damages.

**C.  
VIOLATIONS OF TEXAS DECEPTIVE TRADE  
PRACTICES ACT AND TIE-IN-STATUTES**

30. Plaintiff hereby incorporates by reference all facts and circumstances set forth under the foregoing paragraphs.

31. ASI's collective actions constitute violations of the DTPA, including but not limited to, Sections 17.46(b) (12), (14), (20), (24), and Section 17.50(a) (4) of the Texas Business & Commerce Code. ASI collectively engaged in false, misleading, or deceptive acts or practices that included, but were not limited to:

- a. Representing that an agreement confers or involves rights, remedies, or obligations which it does not have or involve, or which are prohibited by law;
- b. Misrepresenting the authority of a salesman, representative, or agent to negotiate the final terms of a consumer transaction;
- c. Failing to disclose information concerning goods or services which were known at the time of the transaction, and the failure to disclose such information was intended to induce the consumer into a transaction into which the consumer would not have entered had such information been disclosed;
- d. Using or employing an act or practice in violation of the Texas Insurance Code;
- e. Unreasonably delaying the investigation, adjustment and resolution of Plaintiff's claim;
- f. Failure to properly investigate Plaintiff's claim; and/or

- g. Hiring and relying upon a biased engineer and/or adjuster to obtain a favorable, result-oriented report to assist ASI in low-balling and/or denying Plaintiff's damage claim.

32. As described in this Original Petition, ASI represented to Plaintiff that his insurance policy and ASI's adjusting and investigative services had characteristics or benefits that it actually did not have, which gives Plaintiff the right to recover under Section 17.46 (b)(5) of the DTPA.

33. As described in this Original Petition, ASI represented to Plaintiff that its insurance policy and ASI's adjusting and investigative services were of a particular standard, quality, or grade when they were of another, which stands in violation of Section 17.46 (b)(7) of the DTPA.

34. By representing that ASI would pay the entire amount needed by Plaintiff to repair the damages caused by the storm-related event and then not doing so, ASI has violated Sections 17.46 (b)(5), (7) and (12) of the DTPA.

35. ASI has breached an express warranty that the damage caused by the storm-related event would be covered under the subject insurance policies. This breach entitles Plaintiff to recover under Sections 17.46 (b) (12) and (20) and 17.50 (a) (2) of the DTPA.

36. ASI's actions, as described herein, are unconscionable in that it took advantage of Plaintiff's lack of knowledge, ability, and experience to a grossly unfair degree. ASI's unconscionable conduct gives Plaintiff the right to relief under Section 17.50(a)(3) of the DTPA.

37. ASI's conduct, acts, omissions, and failures, as described in this Original Petition, are unfair practices in the business of insurance in violation of Section 17.50 (a) (4) of the DTPA.

38. Plaintiff is a consumer, as defined under the DTPA, and relied upon these false, misleading, or deceptive acts or practices made by ASI to his detriment. As a direct and proximate result of ASI's collective acts and conduct, Plaintiff has been damaged in an amount in excess of the minimum jurisdictional limits of this Court, for which Plaintiff now sues. All of the above-described acts, omissions, and failures of ASI are a producing cause of Plaintiff's damages that are described in this Original Petition.

39. Because ASI's collective actions and conduct were committed knowingly and intentionally, Plaintiff is entitled to recover, in addition to all damages described herein, mental anguish damages and additional penalty damages, in an amount not to exceed three times such actual damages, for ASI having knowingly committed its conduct. Additionally, Plaintiff is ultimately entitled to recover damages in an amount not to exceed three times the amount of mental anguish and actual damages due to ASI having intentionally committed such conduct.

40. As a result of ASI's unconscionable, misleading, and deceptive actions and conduct, Plaintiff has been forced to retain the legal services of the undersigned attorneys to protect and pursue these claims on his behalf. Accordingly, Plaintiff also seeks to recover his costs and reasonable and necessary attorneys' fees as permitted under Section 17.50(d) of the Texas Business & Commerce Code, as well as any other such damages to which Plaintiff may show himself to be justly entitled at law and in equity.

**D.  
VIOLATIONS OF TEXAS INSURANCE CODE**

41. Plaintiff hereby incorporates by reference all facts and circumstances set forth within the foregoing paragraphs.

42. ASI's actions constitute violations of the Texas Insurance Code, including but not limited to, Article 21.21 Sections 4(10) (a) (ii), (iv), and (viii) (codified as Section 541.060), Article 21.21 Section 11(e) (codified as Section 541.061), and Article 21.55 Section 3(f) (codified as Section 542.058). Specifically, ASI engaged in certain unfair or deceptive acts or practices that include, but are not limited to the following:

- a. Failing to attempt, in good faith, to effectuate a prompt, fair, and equitable settlement of a claim with respect to which the insurer's liability has become reasonably clear;
- b. Failing to provide promptly to a policyholder a reasonable explanation of the basis in the policy, in relation to the facts or applicable law, for the insurer's denial of a claim or for the offer of a compromise settlement of a claim;
- c. Refusing to pay a claim without conducting a reasonable investigation with respect to the claim;
- d. Forcing Plaintiff to file suit to recover amounts due under the policy by refusing to pay all benefits due;
- e. Misrepresenting an insurance policy by failing to disclose any matter required by law to be disclosed, including a failure to make such disclosure in accordance with another provision of this code; and/or
- f. Failing to pay a valid claim after receiving all reasonably requested and required items from the claimant.

43. Plaintiff is the insured or beneficiary of a claim which was apparently valid as a result of the unauthorized acts of ASI, and Plaintiff relied upon these unfair or deceptive acts or practices by ASI to his detriment. Accordingly, ASI became the insurer of Plaintiff.

44. As a direct and proximate result of ASI's acts and conduct, Plaintiff has been damaged in an amount in excess of the minimum jurisdictional limits of this Court, for which he now sues.

45. Since a violation of the Texas Insurance Code is a direct violation of the DTPA, and because ASI's actions and conduct were committed knowingly and intentionally, Plaintiff is entitled to recover, in addition to all damages described herein, mental anguish damages and additional damages in an amount not to exceed three times the amount of actual damages, for ASI having knowingly committed such conduct. Additionally, Plaintiff is entitled to recover damages in an amount not to exceed three times the amount of mental and actual damages for ASI having intentionally committed such conduct.

46. As a result of ASI's unfair and deceptive actions and conduct, Plaintiff has been forced to retain the legal services of the undersigned attorneys to protect and pursue these claims on his behalf. Accordingly, Plaintiff also seeks to recover his costs and reasonable and necessary attorneys' fees as permitted under Section 17.50(d) of the Texas Business & Commerce Code or Article 21.21 Section 16(b) (1) (codified as Section 541.152) of the Texas Insurance Code and any other such damages to which Plaintiff may show himself justly entitled by law and in equity.

**E.**

**BREACH OF THE COMMON-LAW DUTY  
OF GOOD FAITH AND FAIR DEALING**

47. Plaintiff hereby incorporates by reference all facts and circumstances in the foregoing paragraphs.

48. By its acts, omissions, failures and conduct, ASI has breached its common law duty of good faith and fair dealing by denying Plaintiff's claims or inadequately adjusting and making an offer on Plaintiff's claims without any reasonable basis, and by failing to conduct a reasonable investigation to determine whether there was a reasonable basis for this denial.

49. ASI has also breached this duty by unreasonably delaying payment of Plaintiff's entire claims and by failing to settle Plaintiff's claims, as ASI knew or should have known that it

was reasonably clear that Plaintiff's storm-related claims were covered. These acts, omissions, failures, and conduct by ASI is a proximate cause of Plaintiff's damages.

**F.  
BREACH OF FIDUCIARY DUTY**

50. Plaintiff hereby incorporates by reference all facts and circumstances in the foregoing paragraphs.

51. ASI had a fiduciary relationship, or in the alternative, a relationship of trust and confidence with Plaintiff. As a result, ASI owed a duty of good faith and fair dealing to Plaintiff. ASI breached that fiduciary in that:

- a. The transaction was not fair and equitable to Plaintiff;
- b. ASI did not make reasonable use of the confidence that Plaintiff placed upon it;
- c. ASI did not act in the utmost good faith and did not exercise the most scrupulous honesty toward Plaintiff;
- d. ASI did not place the interests of Plaintiff before its own, and ASI used the advantage of its position to gain a benefit for itself, at Plaintiff's expense;
- e. ASI placed itself in a position where its self-interest might conflict with its obligations as a fiduciary; and/or
- f. ASI did not fully and fairly disclose all important information to Plaintiff concerning the sale of the policy.

52. ASI is liable for Plaintiff's damages for breach of fiduciary duty, as such damages were objectively caused by ASI's conduct.

**G.  
UNFAIR INSURANCE PRACTICES**

53. Plaintiff hereby incorporates by reference all facts and circumstances in the foregoing paragraphs.

54. Plaintiff has satisfied all conditions precedent to bringing these causes of action. By its acts, omissions, failures, and conduct, ASI has engaged in unfair and deceptive acts or practices in the business of insurance in violation of Chapter 541 of the Texas Insurance Code.

55. Such violations include, without limitation, all the conduct described in this Original Petition, plus ASI's failure to properly investigate Plaintiff's claim. Plaintiff also includes ASI's unreasonable delays in the investigation, adjustment, and resolution of Plaintiff's claims and ASI's failure to pay for the proper repair of Plaintiff's Property, as to which ASI's liability had become reasonably clear.

56. Additional violations include ASI's hiring of and reliance upon biased adjusters and/or engineers to obtain favorable, result-oriented reports to assist it in low-balling and denying Plaintiff's storm-related damage and related claims. Plaintiff further includes ASI's failure to look for coverage and give Plaintiff the benefit of the doubt, as well as ASI's misrepresentations of coverage under the subject insurance policy. Specifically, ASI is also guilty of the following unfair insurance practices:

- a. Engaging in false, misleading, and deceptive acts or practices in the business of insurance in this case;
- b. Engaging in unfair claims settlement practices;
- c. Misrepresenting to Plaintiff pertinent facts or policy provisions relating to the coverage at issue;
- d. Not attempting in good faith to effectuate a prompt, fair, and equitable settlement of Plaintiffs' claims as to which ASI's liability had become reasonably clear;
- e. Failing to affirm or deny coverage of Plaintiff's claims within a reasonable time and failing within a reasonable time to submit a reservation of rights letter to Plaintiff;

- f. Refusing to pay Plaintiff's claims without conducting a reasonable investigation with respect to the claims; and/or
- g. Failing to provide promptly to a policyholder a reasonable explanation of the basis in the insurance policy, in relation to the facts or applicable law, for the denial of a claim or for the offer of a compromise settlement.

57. ASI has also breached the Texas Insurance Code when it breached its duty of good faith and fair dealing. ASI's conduct as described herein has resulted in Plaintiff's damages that are described in this Original Petition.

## II. MISREPRESENTATION

58. Plaintiff hereby incorporates by reference all facts and circumstances in the foregoing paragraphs.

59. ASI is liable to Plaintiff under the theories of intentional misrepresentation, or in the alternative, negligent misrepresentation. Essentially, ASI did not inform Plaintiff of certain exclusions in the policy. Misrepresentations were made with the intention that they should be relied upon and acted upon by Plaintiff who relied on the misrepresentations to his detriment. As a result, Plaintiff has suffered damages, including but not limited to loss of the Property, loss of use of the Property, mental anguish and attorney's fees. ASI is liable for these actual consequential and penalty-based damages.

## I. COMMON-LAW FRAUD BY NEGLIGENT MISREPRESENTATION

60. Plaintiff hereby incorporates by reference all facts and circumstances in the foregoing paragraphs.

61. Plaintiff would show that ASI perpetrated fraud by misrepresentation (either intentionally or negligently) by falsely representing a fact of materiality to Plaintiff, who relied

upon such representations that ultimately resulted in his injuries and damages. Alternatively, ASI fraudulently concealed material facts from Plaintiff, the result of which caused damage to Plaintiff as a result of the storm-related damages.

62. Specifically, and as a proximate cause and result of this fraudulent concealment, fraud and negligent misrepresentation, all of which was perpetrated without the knowledge or consent of Plaintiff, Plaintiff has sustained damages far in excess of the minimum jurisdictional limits of this Court.

63. By reason of Plaintiff's reliance on ASI fraudulent representations, negligent misrepresentations and/or fraudulent concealment of material facts as described in this complaint, Plaintiff has suffered actual damages for which he now sues.

64. Plaintiff further alleges that because ASI knew that the misrepresentations made to Plaintiff were false at the time they were made, such misrepresentations are fraudulent, negligent or grossly negligent on the part of ASI, and constitute conduct for which the law allows the imposition of exemplary damages.

65. In this regard, Plaintiff will show that he has incurred significant litigation expenses, including attorneys' fees, in the investigation and prosecution of this action.

66. Accordingly, Plaintiff requests that penalty damages be awarded against ASI in a sum in excess of the minimum jurisdictional limits of this Court.

**WAIVER AND ESTOPPEL**

67. Plaintiff hereby incorporates by reference all facts and circumstances set forth under the foregoing paragraphs.

68. ASI has waived and is estopped from asserting any defenses, conditions, exclusions, or exceptions to coverage not contained in any Reservation of Rights or denial letters to Plaintiff.

#### DAMAGES

69. ASI's acts have been the producing and/or proximate cause of damage to Plaintiff, and Plaintiff seeks an amount in excess of the minimum jurisdictional limits of this Court.

70. More specifically, Plaintiff seeks monetary relief of more than \$100,000 but less than \$200,000.

#### ADDITIONAL DAMAGES & PENALTIES

71. ASI's conduct was committed knowingly and intentionally. Accordingly, ASI is liable for additional damages under the DTPA, section 17.50(b) (1), as well as all operative provisions of the Texas Insurance Code. Plaintiff is, thus, clearly entitled to the 18% damages allowed by the Texas Insurance Code.

#### ATTORNEY FEES

72. In addition, Plaintiff is entitled to all reasonable and necessary attorneys' fees pursuant to the Texas Insurance Code, DTPA, and sections 38.001-.005 of the Civil Practice and Remedies Code.

#### JURY DEMAND

73. Plaintiff demands a jury trial and tenders the appropriate fee with this Original Petition.

**REQUEST FOR DISCLOSURE**

74. Pursuant to the Texas Rules of Civil Procedure, Plaintiff requests that ASI disclose all information and/or material as required by Rule 194.2, paragraphs (a) through (l), and to do so within 50 days of this request.

**REQUEST FOR PRODUCTION**

75. Pursuant to the Texas Rules of Civil Procedure, Plaintiff propounds the following Requests for Production.

1. Please produce ASI's complete claim files from the home, regional, local offices, and third party adjusters/adjusting firms regarding the claim that is the subject of this matter, including copies of the file jackets, "field" files and notes, and drafts of documents contained in the file for the premises relating to or arising out of Plaintiff's underlying claim.
2. Please produce the underwriting files referring or relating in any way to the policy at issue in this action, including the file folders in which the underwriting documents are kept and drafts of all documents in the file.
3. Please produce certified copy of the insurance policy pertaining to the claim involved in this suit.
4. Please produce the electronic diary, including the electronic and paper notes made by ASI's claims personnel, contractors, and third party adjusters/adjusting firms relating to the Plaintiff's claims.
5. Please produce all emails and other forms of communication by and between all parties in this matter relating to the underlying event, claim or the Property, which is the subject of this suit.
6. Please produce the adjusting reports, estimates and appraisals prepared concerning Plaintiffs' underlying claim.
7. Please produce the field notes, measurements and file maintained by the adjuster(s) and engineers who physically inspected the subject Property.
8. Please produce the emails, instant messages and internal correspondence pertaining to Plaintiff's underlying claim(s).

9. Please produce the videotapes, photographs and recordings of Plaintiff or Plaintiff's home, regardless of whether ASI intend to offer these items into evidence at trial.

### INTERROGATORIES

76. Pursuant to the Texas Rules of Civil Procedure, Plaintiff propounds the following Interrogatories.

1. Please identify any person ASI expect to call to testify at the time of trial.
2. Please identify the persons involved in the investigation and handling of Plaintiff's claim for insurance benefits arising from damage relating to the underlying event, claim or the Property, which is the subject of this suit, and include a brief description of the involvement of each person identified, their employer, and the date(s) of such involvement.
3. If ASI or ASI's representatives performed any investigative steps in addition to what is reflected in the claims file, please generally describe those investigative steps conducted by ASI or any of ASI's representatives with respect to the facts surrounding the circumstances of the subject loss. Identify the persons involved in each step.
4. Please identify by date, author, and result the estimates, appraisals, engineering, mold and other reports generated as a result of ASI's investigation.
5. Please state the following concerning notice of claim and timing of payment:

  - e. The date and manner in which ASI notified the claimant in writing of the acceptance or rejection of the claim.
6. Please identify by date, amount and reason, the insurance proceed payments made by Defendant, or on Defendant's behalf, to the Plaintiff.
7. Has Plaintiff's claim for insurance benefits been rejected or denied? If so, state the reasons for rejecting/denying the claim.

8. When was the date ASI anticipated litigation?
9. Have any documents (including those maintained electronically) relating to the investigation or handling of Plaintiff's claim for insurance benefits been destroyed or disposed of? If so, please identify what, when and why the document was destroyed, and describe ASI's document retention policy.
10. Does ASI contend that the insured premises was damaged by storm-related events and/or any excluded peril? If so, state the general factual basis for this contention.
11. Does ASI contend that any act or omission by the Plaintiff voided, nullified, waived or breached the insurance policy in any way? If so, state the general factual basis for this contention.
12. Does ASI contend that the Plaintiff failed to satisfy any condition precedent or covenant of the policy in any way? If so, state the general factual basis for this contention.
13. How is the performance of the adjuster(s) involved in handling Plaintiff's claim evaluated? State the following:
  - a. what performance measures are used; and
  - b. describe ASI's bonus or incentive plan for adjusters.

#### CONCLUSION

77. Plaintiff prays that judgment be entered against ASI Lloyds, and that Plaintiff be awarded all of his actual damages, consequential damages, prejudgment interest, additional statutory damages, post judgment interest, reasonable and necessary attorney fees, court costs and for all such other relief, general or specific, in law or in equity, whether pled or un-pled within this Original Petition.
